Oceania is the youngest region in the Federation, with great challenges in the areas of organization, structure, and cooperation among its members, typical of any beginning. The greatest factor underlying these difficulties are enormous distances that separate the islands and countries of Oceania. Australia and Papua New Guinea play a leading role in the region through relatively well-developed structures and availability of resources. An encouraging sign is that these relatively young Christian Churches understand the need for a sound biblical foundation for their communities and recognize its vital role in the growth of their faith.

PRAYER INTENTION

For the expansion and strengthening of the Federation's presence and its mission in Oceania.
