

Central Europe

CBF Full Members: 12
Associate Members: 17
Countries: 12

This region gathers German speaking countries and those of Eastern Europe belonging to the former communist bloc. The *Katolische Bibel Werk* (German Catholic Biblical Association) active in this region, Vatican-based Office for Common Bible Work (a department of the Secretariat for Promoting Christian of Unity), and other involved Catholic institutions, established the Catholic Biblical Federation in April 1969. Today, the CBF members of Central Europe are most active in sponsoring and supporting the General Secretariat and projects of other Federation's regions. The greatest challenge lies in enlivening of the biblical ministry in the countries which, in the past years, were under the anti-Christian communist control. Thus the main goal for the Federation's activity in this region is to ensure that biblical pastoral ministry plays an integral role in the pastoral programs of the European Bishop's conferences.

PRAYER INTENTION:

That the Bible is accorded a central place and plays its rightful role in the mission of the Church in Eastern Europe.
